

DuPar Science Homework Week 2 (_____)

Make sure you have turned in DuPar Contract and Vocabulary 1!

Monday – Turn in Science Contract Tomorrow!

Write a letter to Mrs. DuPar (She read her letter Monday). Due Friday.

- Tell where you have lived and traveled.
- Tell what you like to do.
- Tell what schools you have attended

Any other information you would like to share.

Tuesday – Vocabulary 2: Do Option #5. See Example in Class.

Science – an organized way people observe and describe the natural world

Variable – the one factor (thing) that changes in an experiment

Conclusion – a decision or opinion reached by reasoning

Analyze – to look at carefully

Procedure - a series of steps that a scientist's follows to perform an experiment

Theory – an explanation that is based on observations and testing to explain a large number of facts

Wednesday – Make your title page for your notebook

(see “How to Create Your Science Binder”).

Thursday – Put your notebook together. See rubric to help you check it.
