Animal Adaptations

Look at the picture. What adaptations does this animal have to live in its environment? Think about what you see in the picture about the animal in its environment. If you know some information about the animal you can add that too. Look at one picture then trade with another group until you have completed all 4 in your area.

Picture 1

Organism: _____
Environment: _____
Adaptation 1: _____
Adaptation 2: _____
Adaptation 3: _____
Adaptation 4: _____
Adaptation 5: _____

Picture 2

Organism: _____
Environment: _____
Adaptation 1: _____
Adaptation 2: _____
Adaptation 3: _____
Adaptation 4: _____
Adaptation 5: _____

Picture 3

Organism: _____
Environment: _____
Adaptation 1: _____
Adaptation 2: _____
Adaptation 3: _____
Adaptation 4: _____
Adaptation 5: _____

Picture 4

Organism: _____

Environment: _____

Adaptation 1: _____

Adaptation 2: _____

Adaptation 3: _____

Adaptation 4: _____

Adaptation 5: _____

Picture 5

Organism: _____

Environment: _____

Adaptation 1: _____

Adaptation 2: _____

Adaptation 3: _____

Adaptation 4: _____

Adaptation 5: _____
